

New Student Arrival

UNIVERSITY OF MARY WASHINGTON

Welcome, Eagles!

New Student Arrival and Welcome is a vital part of your success as a University of Mary Washington student. These events will help you learn more about what it takes to be an Eagle. At Orientation you met your Orientation Leader, learned more about campus, and registered for courses. Now is your chance to get acclimated to your new home.

Attendance at this weekend's activities is **required**. The sessions are designed to give more information about being part of this community. This schedule will serve as your reference for all sessions taking place during New Student Arrival and Welcome. Take time to review the schedule completely and ask your Peer Mentor or a UMW staff any questions that you may have.

Please note that most sessions are open to all students. However, some sessions are specifically geared toward first-year students and some are specifically geared toward transfer students.

First-Year Only activities will have a blue box around them.

Transfer Only activities will have a red box around them.

All of these sessions are provided to help you be successful at this institution. Take the opportunity to try new things, explore campus, and make new friends. Should you have any questions during your time here, please contact the Office of Student Involvement at (540) 654-1061 or orientation@umw.edu

Welcome home, Eagles. We're glad you're here!

Sincerely,
The Orientation Team
The Office of Student Involvement
